1. General

1.1. These financial regulations govern the conduct of financial management by the council and may only be amended or varied by resolution of the council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers.

Financial regulations must be observed in conjunction with the council's standing orders¹ and any individual financial regulations relating to contracts.

1.2. The council is responsible in law for ensuring that its financial management is adequate and effective, and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

1.3. The council's accounting control systems must include measures:

- for the timely production of accounts;
- that provide for the safe and efficient safeguarding of public money;
- to prevent and detect inaccuracy and fraud; and
- identifying the duties of officers.

1.4. These financial regulations demonstrate how the council meets these responsibilities and requirements.

1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

1.7. Members of council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.

1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Council's Proper Officer has been appointed as RFO for this council and these regulations will apply accordingly.

1.9. The RFO role;

- acts under the policy direction of the council and administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
- determines on behalf of the council its accounting records and accounting control systems;
- ensures the accounting control systems are observed;
- maintains the accounting records of the council up to date in accordance with proper practices;
- assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
- produces financial management information as required by the council.

The Proper Officer will inform committees of any changes impacting on their budget requirement for the coming year in good time.

4.5. In cases of extreme risk to the delivery of council services, the Proper Officer may authorise revenue expenditure on behalf of the council which in the Proper Officer's judgement it is necessary to carry out. Such expenditure includes repair, replacement, or other work, whether or not there is any budgetary provision for the expenditure. In cases of expenditure over £2,000 this must be in consultation with the chairman. The Proper Officer or chairman shall report such action to the council as soon as practicable thereafter.
